Haus des Rundfunks
Berlin.

Dear Radio Friend:

We are much obliged for your communication of Oct. 26 1936, reporting reception of broadcast from our station on Oct. 25 The data given by you have been checked by our log and we take pleasure in verifying that what you then heard was from the program of our shortwave transmitter DJB + DJC.

We should appreciate any further reports on the receiving conditions in your district, as well as any suggestions or criticism which you may care to make. It helps us in our work, and it is pleasant to keep in touch in this way with our audience overseas.

We would also appreciate if you would invite your friends to listen in to our program.

With best wishes for further successful logging,

Yours very truly,
Deutscher Kurzwellensender.

Detailed information on wavelengths and time schedule of the various transmissions from Zeesen may be had on application.

Mr. Kermit Leary
